E-mail: thurmontpolice@FrederickCountyMD.gov

The Thurmont Police Department is launching a new Community Information Service designed to deliver important and timely information to residents in our area using the latest technology.

This service, created by Nixle, LLC delivers trustworthy and important neighborhood level public safety and community events notifications by web, e-mail, and cell phone.

Nixle is completely simple, trusted, and available at no cost.

Residents of Thurmont can now take advantage of Nixle! Nixle is a community information service that alerts you to public safety threats and community events via web, email, and cell phone. Sign up at www.nixle.com and click on the link to Sign Up Now at top right hand portion of screen.

Effective June 1, 2010, Nixle will take the place of Thurmont's existing Community Alert System (CAS) launched in July 2009. Since its introduction, CAS has received much positive feedback, and the department aims to further enhance the open communication between police and citizens with the incorporation of this latest Nixle technology.
