## 2018 Shred Event

This year's Shred Event was another success. We collected over 10,000 pounds of paper and received a truck load of donations for the Thurmont Food Bank. I would like to thank our co-sponsor Woodsboro Bank, members of the Thurmont Police Commission, and Mayor Kinnaird for helping with Saturday's event.

Next year's event is scheduled for April 20, 2019.
