RE: Bids for New Multi-Purpose Field in Eyler Park

Dear Jim:

On July 29, 2016, one (1) bid was received for the construction of the new multi-purpose field in Eyler Park. There were three (3) bidders present at the mandatory pre-bid meeting. The project includes construction of a new field adjacent to and parallel with the existing football field, subsurface drainage, fencing, goal posts, stormwater management, sediment and erosion control, clearing of existing trees and related work.

The sole bid was received from W.F. Delauter and Son, in the amount of \$168,481.00 plus \$58,580 for 2,000 LF of fencing (\$29.29/LF). The combined price of \$227,061.00 is well below the engineer's opinion of probable cost of \$288,700 (fence is included).

Based on the price, the contractor's experience and references, we would recommend award of the contract to the lowest responsive and responsible bidder, W.F. Delauter and Son, in the amount of \$227,061.00, subject to the availability of adequate funding.

Should you need anything additional at this time, please do not hesitate to contact me.

Sincerely,

Richard D. Parks, P.E.
Senior Vice President
