

ARTICLE XV  
WATER AND SEWER

**1501. Powers**

The Town shall have the power:

- (a) To construct, reconstruct and operate and maintain a municipal water system.
- (b) To construct, reconstruct and operate and maintain a sanitary sewage system and sewage treatment plant.
- (c) To construct, reconstruct and operate and maintain a storm water drainage system.
- (d) To enlarge, alter, repair, improve or dispose of all parts, installation and structures of the above plants and systems.
- (e) To have surveys, plans, specifications and estimates made for any of the above plants and systems, or parts thereof, or the extension thereof.
- (f) To do all things it deems necessary for the efficient operation and maintenance of the above plants and systems.
- (g) To levy charges for the provision of water and sewer.
- (h) To establish restrictions upon the amount and conditions of use of Town supplied water.
- (i) To establish restriction upon the amount and conditions of use of Town supplied sanitary sewer disposal system.
- (j) To specify requirements for those parts of the system built by others and later turned over to the Town.
